Policy on EOP Grant Awarding

PURPOSE:

To establish guidelines for the allocation of Educational Opportunity Program (EOP) financial aid funds to eligible students.

BACKGROUND:

The EOP enabling legislation (Senate Bill No. 1072) of March 1969 authorizes the CSU to provide grants and educational assistance to students from low-income, disadvantaged backgrounds who demonstrate the potential for success in the CSU curricula. Currently, the EOP at California State University Channel Islands (CI) is funded through appropriations from the CSU Chancellor's Office.

POLICY:

Accountability:

Vice President for Student Affairs or designee, Financial Aid office, EOP

Applicability:

EOP students at CI

Definition(s):

EOP – Educational Opportunity Program - The Educational Opportunity Program is designed to improve academic support of low-income and educationally disadvantaged students. The EOP student has the potential to perform satisfactorily in the CSU but has not been able to realize this potential because of economic or educational background. The program provides admission, academic and financial assistance to EOP eligible undergraduate students.

Eligible EOP Student - An eligible EOP student is an economically and educationally disadvantaged student who has the potential to perform satisfactorily in CSU curricula and has officially been admitted to the program utilizing admission procedures defined in the EOP regulations. Priority consideration may be given to applicants meeting the above criteria who are members of underserved backgrounds (EOP Regulations & Guidelines, 1983-84, 1989).

Policy on EOP Grant Awarding

Text:

The priority for awarding an EOP financial grant is as follows:

1. All full-time, first-time students (admitted and accepted to EOP) will receive a minimum of \$500 per year
2. Continuing students, who are eligible, may be awarded an EOP grant based on one or more of the following: a) program participation, b) grade point average (GPA), c) financial need and/or d) funding available
3. Continuing students may be awarded based on the following GPA ranges. The amount to be awarded for each range will be determined on remaining funding available after first-year students are awarded
Range 1: GPA of 2.99 or greater
Range 2: GPA between 2.75 and 2.98
Range 3: GPA between 2.50 and 2.74
Range 4: GPA between 2.00 and 2.49
Range 5: GPA below 2.00

Approval of grant eligibility for less than full-time enrollment must be confirmed by the EOP Assistant Director or designee.

If a student's enrollment falls below full-time status (12 unit or less), during the initial change of program period, the EOP grant award may be cancelled and the student may be required to return funds to the University.

There will be no attempt to recover EOP funds from students who drop below full-time status and receive a grade of "W" on the official transcript.

Prior to the start of each term, EOP will provide a list of entering and continuing EOP students to the Financial Aid office. If any student is discontinued from the program, the Financial Aid office should be notified immediately by EOP.

According to Senate Bill 1072, Section 31226.5, records of the academic progress of each student attending college under a grant shall be kept by the trustees in order that the program created by this chapter may be evaluated. An eligible new enrollee shall participate in EOP services on the basis of need or as required by the EOP Assistant Director (EOP Regulations and Guidelines, 1983-1984, 1989).
