Policy on Alcohol at CSUCI

PURPOSE:

The University Alcohol Policy applies to all members of the campus community including students, faculty, staff, visitors, and sponsored organizations. This policy does not govern areas where ground subleases vest control of the property in a third party (namely east campus (University Glen & Anacapa Canyon) residences located beyond the University Glen Town Center). The University Alcohol Policy is intended to guide practices related to alcohol use and to achieve the following:

- a. Provide a safe and secure environment;
- b. Promote healthy choices for the campus community;
- c. Consistently enforce laws and policies regarding the use of alcohol;
- d. Encourage members of the campus community to take responsibility for each other.

BACKGROUND:

California State University Channel Islands (CSUCI) is committed to creating a healthy working and learning environment in which illegal or improper use of alcohol does not interfere with student learning, performance, or development nor impede the University's ability to maintain a safe environment for employees and guests.

Authority for establishing regulations and guidelines relating to the use of alcohol is vested in the University's President, pursuant to Title 5, Article 2, section 41301(10) of the California Code of Regulations, California State University Executive Order [1068](#)—Student Activities, and California [State University Executive Order 1098](#)—Student Conduct Procedures. Sales, Services, and Promotion of Alcoholic Beverages are further governed by California Executive Orders [1107](#) and [1109](#).

The California Penal Code, the Jeanne Clery Disclosure of Campus Security Policy [and Campus Crime Statistics Act](#) (commonly referred to as The Clery Act), and Section 25662 of the California Business and Professions [Code](#) also support university regulation of the use of alcohol on campus.
